2015 National Conference

Celebrating 50 Years of Nurse Practitioners

JUNE 9-14
ERNEST N. MORIAL CONVENTION CENTER
NEW ORLEANS, LA

REGISTRATION BROCHURE
As president of the American Association of Nurse Practitioners (AANP), it is my pleasure to invite you to join your colleagues at the Ernest N. Morial Convention Center in New Orleans for the AANP 2015 National Conference, June 9-14.

In addition to being a city where every day is a reason to celebrate, NPs also will be celebrating a significant milestone of our own. The first NP program was launched 50 years ago at the University of Colorado in 1965 by Drs. Loretta Ford and Henry Silver.

This heralded the beginning of what has grown into more than 2,000 programs in 400 universities across the country, producing approximately 14,000 new NP graduates each year.

You have come to expect the best opportunities at an AANP conference and the 2015 conference will not disappoint. We have up to 37.75 contact hours of continuing education (CE) offerings planned, updates on state and federal policy, time to network with your colleagues, an exhibit hall filled with the latest goods and services for NPs and students, and of course, dynamic speakers who will share their unique perspectives on the role of the nurse practitioner in the ever-changing health care environment.

Our opening keynote speaker will bring a whole new perspective to attendees when she shares her experiences as an RN and how she transitioned from that role to being one of the best known entertainers in the world. Naomi Judd has a fascinating story to tell and one you will want to hear about in person.

To start this year’s conference New Orleans style, we are having the grand opening of the exhibit hall immediately following the opening general session. A Mardi Gras-type procession will lead you from the opening general session to the opening of the exhibit hall, where you will be treated to a 50th NP anniversary celebration reception and an opportunity to explore the many exhibiting companies that are part of the 2015 conference.

I look forward to seeing you in New Orleans and visiting with you about the fabulous growth of the NP role and where we are going in the future. Make plans now—you won’t want to miss this conference and celebration!

Ken Miller, PhD, RN, CFNP, FAAN, FAANP
President, AANP Board of Directors

Presentations

**Concurrent Presentations**
There are approximately 170 75-minute concurrent presentations that will be offered Wednesday, June 10 – Saturday, June 13.

**Other Presentations**
In addition, there are other presentations such as general sessions, podium and poster presentations, regional meetings and interest forums that add to the variety of the many session opportunities.

6-Minute Lectures
The highly popular 6-Minute Lectures return on Saturday afternoon, June 13! Presenters will share pearls of wisdom in six minutes. 6-Minute Lectures are a fun and fast-moving platform for NPs to share their knowledge with fellow conference attendees. Watch for the “Call for Abstracts” that will be sent out via email to all national conference registrants and speakers.

Fundamental Critical Care Support (FCCS)
The FCCS course instructors will maintain the new course structure to enhance the learning environment and accommodate more registrants.

AANP Store
Proud to be an NP and an AANP member? Show your pride with gear from the AANP store! Purchase your favorite AANP name or logo apparel and items such as key chains, mugs, pens, etc. To visit the store throughout the year go to aanpstore.com.

Exhibit Hall
Market Place
To continue broadening the exhibit hall experience, the Market Place appealing to attendees’ personal interests will be available. A limited number of exhibitors will feature items such as jewelry, handbags, lotions and other products.

SPECIAL INITIATIVE

AANP believes in giving back to the host city, New Orleans, by providing its conference attendees the opportunity to show their support for the community. This year we will partner with Dress for Success® — a non-profit, volunteer driven organization that works with over 50 greater New Orleans area agencies to identify disadvantaged women who, with a little help, can gain employment and economic independence.

All conference participants of the AANP 2015 National Conference are invited to donate to a clothing drive that may help someone take that all important step on the road to a “new” life. AANP is assisting by collecting professional clothing, new or gently used, that women getting back into the work force can wear to a job interview and hopefully, on the job. Most needed items are suits and tops (sweaters and blouses), but Dress for Success also accepts dress pants and skirts, and accessories such as shoes and purses.

Make plans now to attend conference and start setting aside the item(s) of new and like-new clothing you want to bring with you to donate in support of this conference special initiative. Let’s show New Orleans we care by combining our efforts to make a difference in someone’s life!
PODIUM AND POSTER PRESENTATIONS

Abstracts selected for podium and poster presentations feature the latest evidence in the field. The podium presentations are listed on pages 13-15 and the posters are listed on pages 23-26. A schedule listing the presentation date of each poster will be listed in the AANP 2015 Conference Guide you receive upon check-in at the conference. These presentations will occur:

INDUSTRY SUPPORTED/SPONSORED EVENTS

Costs of industry supported/sponsored (IS) events with food service presented at the AANP conference are not included in the conference registration fees. These limited CE symposia and non-CE product theaters are funded entirely by the supporting/sponsoring company, allowing AANP to offer some conference registrants complimentary access to a limited number of CE and non-CE educational presentations. Due to their educational focus and guideline requirements, attendance is restricted to only conference registrants. To expedite processing attendees into these events, registration/admission will occur at the entrance of each scheduled event, on a first-come first-served basis. There will be no pre-registration.

When available, IS event description notices will be posted on the National Conference page at aanp.org, on signage located throughout the conference area, and in the AANP 2015 Conference Guide each registered attendee receives at AANP Registration Operations during conference check-in.

CONTINUING EDUCATION/PHARMACOLOGY CONTACT HOURS

The program is pending approval for CE and pharmacology credit by the American Association of Nurse Practitioners Accreditation Program. Up to 37.75 contact hours of CE will be offered at the 2015 National Conference. Most sessions will have the estimated number of contact hours listed near the educational session category in the registration brochure when available. Approved pharmacology credit will be posted on the national conference page at aanp.org when available. All NP state regulatory agencies and certifying bodies recognize and accept AANP CE credit.

PRESENTATION HANDOUTS

Presentation handouts will be available online and the access link will be emailed to all conference registrants no later than early June 2015. Prior to attending the sessions, registrants are encouraged to print the materials or store them on an electronic device.

NAME BADGES

Registered Attendees: Registered attendees MUST wear their official conference name badge at all times to access conference events.

Guests of Registered Attendees: Complimentary guest badges for persons ages 16 and older are available at the AANP Registration Operations. ID with proof of age is required if requested by AANP management and/or security staff. This guest badge allows entrance into the Exhibit Hall only.

CHILDREN

Children (including infants) under the age of 16 are not allowed in conference sessions or the Exhibit Hall due to safety concerns, audio recording and maintaining an appropriate learning environment.

CONFERENCE ATTIRE

Attire at the national conference is business casual. The Ernest N. Morial Convention Center (ENMCC) strives to keep rooms at a comfortable temperature, but layered clothing is strongly suggested. Comfortable shoes are highly recommended.

STANDING & SITTING IN CLASSROOMS

Sitting in chairs is required in classrooms for the majority of presentations due to Fire Marshall regulations. Sitting on floors is not permitted. Standing is very limited and not allowed unless there is a hands-on or networking portion of the session, or you have a medical or health condition. Please kindly inform the classroom assistant(s) if you have a medical or health condition. Please kindly inform the classroom assistant(s) if you have a medical or health condition. Please kindly inform the classroom assistant(s) if you have a medical or health condition.

FORCE MAJEURE

In the event AANP should find it necessary to cancel or postpone the AANP 2015 National Conference for any reason, including but not limited to low registration, strikes, acts of nature, war, terrorist acts or other circumstances beyond AANP’s control, AANP’s liability shall be limited to refund of registration fees paid to AANP.

How to Register

Online: Go to the National Conference page at aanp.org. When registering online you have current availability of sessions, immediate confirmation of assignments and printable receipt of payment. Session assignments occur when the registration is entered and payment has been confirmed. Online registration requires credit card payment—AANP accepts VISA, MasterCard and American Express.

Please Note: If you do not receive a receipt via email within one (1) business day of online payment, please notify conference@aanp.org.

Mail/Fax: Complete the enclosed form and mail or fax with all required information and payment. An incomplete submission will be returned to the sender. Session assignments occur when the registration is entered and payment has been confirmed. Receipts including session assignments will be emailed to the registrants. Receipts will be included in attendee packets and available on-site at the conference for those registrations received after Thursday, June 4. If you do not receive, via email, your session confirmation/receipt within ten (10) business days of mailing or five (5) business days of faxing your form and payment, please notify AANP at admin@aanp.org or 512-442-4262.

CANCELLATION & REFUND POLICIES

Cancellations: All cancellations require written notification to AANP at admin@aanp.org.

Please Note: If you cancel your AANP conference registration please cancel your housing reservation within the AANP Housing Block. AANP has the right to remove any housing reservations within the AANP Housing Block that are not supported by an AANP conference registration.

Refunds: Refunds on paid registrations will be issued for written cancellation requests received, via email, fax, or mail no later than Monday, April 27, 2015. All refunds will be issued for the paid registration minus a $50 administrative fee or a $25 administrative fee for a student registration.

Refunds will not be issued after Monday, April 27, 2015.

Returned Checks: An administrative fee of $35 will be charged for all checks returned to AANP for insufficient funds.

No Shows: If you do not cancel in writing to AANP and do not attend, you still are responsible for payment.

Certificate of completion is earned after you attend, complete all sessions and pass the post-test. You must be registered for at least one day of the national conference to be eligible to register for an FCCS workshop.

8:00 AM – 9:15 AM  GENERAL SESSION (1.25 hrs CE)
15.2.012  Presentation of Colors, Welcome and Opening Keynote:
Speaking from the Heart. Naomi Judd
Maximizing work-life balance is a familiar topic to our opening keynote speaker, Naomi Judd. Formerly an RN, she also is a Grammy award winning music superstar, TV personality, actress, humanitarian and mother of two successful daughters. A popular author and authority on the mind, body and spirit, Ms. Judd emerged from humble beginnings in rural Kentucky; conquered countless challenges as a divorced, working mother; reached the pinnacle of success as a country music icon; and overcame a potentially fatal Hepatitis C diagnosis. Enlightened by her unique experience, Ms. Judd will share her thoughts on health care today as we celebrate the impact NPs are having in advancing access to care and improving patients’ lives.

50 Years of the Nurse Practitioner: The Past, Present & Future. Julie Fairman, PhD, RN, FAAN and Jeffrey C. Bauer, PhD, FAANP(H)

Fifty years of nurse practitioner practice is truly a milestone. The history of nurse practitioner practice is quite remarkable and dynamic. And, the historical context is critical for our understanding of the integration of research, education and clinical practice.

Dr. Julie Fairman, Director of the Barbara Bates Center for the Study of the History of Nursing, author of Making Room in the Clinic: Nurse Practitioners and the Evolution of Modern Health Care, will discuss how the past can inform and transform the present and future.

Dr. Jeff Bauer, an internationally recognized health care futurist and medical economist, will discuss future trends in the health care system and their implications for nurse practitioners. He has published more than 250 articles, books, web pages and videos on health care delivery, and speaks frequently about key trends in health care, medical science, technology, information systems, reimbursement, public policy and health reform.

Please join us for this informative session as we reflect on NP practice and the health care delivery models for the next 50 years, and how we can be strategically positioned to meet the challenges.
